

CaT Code v1.0 License

For noncommercial and scientific research purposes

This **AGREEMENT** governs the relationship between CaptureTumor (CaT) Team of Zhongshan Ophthalmic Center (Sun Yat-sen University, Guangzhou, China) (hereinafter referred to as “**CaT TEAM**”) and you (hereinafter referred to as “**LICENSEE**”) when you download and use CaT Code v1.0. **CaT TEAM** collected data to develop CaT system for rare malignant ocular surface tumors screening. Relative code can be accessed for requests from verified academic researchers for noncommercial and scientific research purposes.

LICENSEE should sign this license together with completing a code access form for your intended study when request the source code via email to linht5@mail.sysu.edu.cn. Submitted license and code access forms will be reviewed by **CaT TEAM** to verify whether the request is subject to any intellectual property, privacy protection, or confidentiality obligations. For requests from verified academic researchers, access will be granted within one month.

Please read carefully the following terms and conditions and any accompanying documentation before you download and/or use the code. By downloading and/or using the code, you acknowledge that you have read these terms and conditions, understand them, and agree to be bound by them. If you do not agree with these terms and conditions, you must not download and/or use the code.

License Grant

CaT TEAM grants you a nonexclusive, nontransferable, free of charge right:

- To download the CaT code on computers owned, leased or otherwise controlled by you and/or your organization.
- To use the CaT code under the restriction of related laws about data and privacy security.
- To use the CaT code for the sole purpose of performing noncommercial scientific research or noncommercial education projects.

Any other use, in particular any use for commercial purposes or harmful to privacy, is prohibited. This includes, without limitation, incorporation in a commercial product, use in a commercial service, as training for a commercial product, for commercial analysis (e.g., product design, architectural design, etc.), or production of other artifacts for commercial purposes, including for example, web services, movies, television programs, mobile applications, or video games. This license also prohibits the use of the CaT code to train methods/algorithms/neural networks for commercial use of any kind. The CaT code may not be reproduced, modified and/or made available in any form to any third party without **CaT TEAM**'s prior written permission. By downloading the **CaT** code, you agree not to reverse engineer it to recover any information that could compromise the patient's privacy.

Disclaimer of Representations and Warranties

You expressly acknowledge and agree that the CaT code is from basic research and may contain errors and that any use of the CaT code is at your sole risk. **CaT TEAM** MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND CONCERNING THE CaT CODE, NEITHER EXPRESS NOR IMPLIED, AND THE ABSENCE OF ANY LEGAL OR ACTUAL DEFECTS, WHETHER DISCOVERABLE OR NOT. Specifically, and not to limit the foregoing, **CaT TEAM** makes no representations or warranties (i) regarding the fitness for a particular purpose of the CaT code, (ii) that the use of the CaT code will not infringe any patents, copyrights or other intellectual property rights of a third party, and (iii) that the use of the CaT code will not cause any damage of any kind to you or a third party.

Limitation of Liability

Under no circumstances shall **CaT TEAM** be liable for any incidental, special, indirect or consequential damages arising out of or relating to this license, including but not limited to, any lost profits, business interruption, loss of programs or other data, or all other commercial damages or losses, even if advised of the possibility thereof.

No Maintenance Services

You understand and agree that **CaT TEAM** is under no obligation to provide maintenance services, update services, notices of latent defects, or corrections of defects with regard to the **CaT** code. **CaT TEAM** nevertheless reserves the right to update, modify, or discontinue the CaT code at any time.

Publication with CaT

You agree to cite the paper describing the CaT code as specified on the download website.

Media Projects with CaT code

When using CaT code in a media project please give credit to Zhongshan Ophthalmic Center.
